

E-WASTE UPDATES

CPCB Updates in the Portal

Key highlights

- CPCB has launched a single E-Waste Management System portal which is now fully operational, supporting all processes from **Registration to the Annual Return Filing**. Access the Portal here - [Click Here](#).
- The CPCB has also released **Secure Procedures for Certificate Transfer** applicable to both Producers and Recyclers.

The screenshot displays the homepage of the E-Waste Management System portal. At the top, it features the Government of India logo and the text 'E-Waste Management System Portal under E-Waste (Management) Rules, 2022'. Below this, there are logos for CPCB, LIFE (Lifestyle for Environment), and the Ministry of Environment, Forest and Climate Change. A navigation menu includes 'Sign up', 'Dashboard', and 'Login' buttons. A main banner shows a large pile of electronic waste (printers, scanners, etc.) with a green recycling symbol overlaid. A green callout box on the right contains the text: 'Kind Attention: The registration module has been made live for Producers, Manufacturers, Recyclers and Refurbishers, w.e.f. 17-05-2024.' The footer contains a navigation menu with links: Home, About Us, EPR, E-Waste Rules, FAQ, SOP, Important Links, Downloads, and Contact Us.

Secure Certificate Transfer

1st Step to be followed by the recycler for EPR Certificate Transfer

1. Select a certificate and choose a producer.
2. Click the select button OTP will be received on the Recyclers email ID and mobile number.

E-Waste Management System
Portal under E-Waste Management (Date: 2024)

Recycler: CPCB Recycler Test [Recycler ID: 337004]

EPR Credit (End Products) Transfer

Authenticate Transfer

OTP Sent on 70XXXXXX93 and sXXXXXX@gmail.com

Mobile Number OTP *

Email-ID OTP *

Please note you have entered the correct certificate value. If you are not able to connect with the producer, please note that after clicking on 'Confirm & Save' the entered data will be finalized, and there will be no way to edit or modify the quantity. Make sure the entered quantity is accurate.

3. Enter the OTP and click the submit button then connect with the producers.

Steps to be followed by Producer:

1. The producer will log in and click the dispatch button.
